

ATIAMAHA AID

Gifts For Every Occasion That Will
Really Make a Difference

Inspiring gifts for Christmas, Christenings,
Birthdays, Weddings, Anniversaries...

GIFTS UNDER £20

Seeds for Farming (50kg bag) - £5 (gift code A)

The main crops grown in N.E. Ghana are rice, millet, bambaram beans, groundnuts and cowpea beans. Bags of seeds will help small, poorer communities to grow crops for themselves and earn income by selling any surplus.

Health Insurance - £6 per person per year (gift code B)

In 2007 the Ghanaian Government introduced a health insurance scheme. £6 per year entitles the holder to basic healthcare and subsidised medicines. Unfortunately many people in N.E. Ghana can't afford this – especially orphans, the elderly and the sick who have no means to support themselves.

Mosquito Nets - £8 for 2 nets (gift code C)

Malaria is a major health risk due to the poor sanitation and living conditions. Thousands of people die each year from this preventable disease.

School Uniform - £10 (gift code D)

School uniforms are required for orphans and those from the poorest families that can't afford them.

GIFTS FROM £20 TO £50

Tools for Farming - £20 (gift code E)

£20 will buy enough equipment for a family to start growing their own food (a hoe, a cutlass, a rake, and wellington boots).

Goat - Starter Herd - £40 (gift code F)

Low maintenance household animal which provides milk and meat for the family. Droppings provide organic manure for crops. Each goat can produce 2 kids per year. £40 will buy 2 male and 2 female goats and will enable breeding of a larger herd.

Food For a Family for a Month - £30 (gift code G)

Many families supported by the Atiamah Trust are extremely poor – they lack food, shelter and clothing, and have no economic livelihood or assets.

GIFTS £50 AND OVER

Bicycle - £50 (gift code H)

The normal mode of transport is on foot. Bicycles are a sustainable way for eg. health workers to reach out-lying areas.

Library Books - £50 (gift code I)

Thanks to money already donated, there is a new community library. More funds are needed to provide up-to-date text books etc to fill the shelves. This will be of great help with self study and assist with seeking employment.

Donkey - £60 (gift code J)

Too expensive for most families. Many uses including ploughing, drawing water, transporting heavy items. Related items are:

Donkey Kart - £55 (gift code K)

Donkey Plough - £80 (gift code L)

What We Have Achieved So Far:

Money raised has been used to:

- provide food for the very poor
- provide medicines for those who can't afford them
- rebuild a community centre which provides shelter and accommodation for local people in need
- build a youth centre which provides a meeting place for young people and includes space for a library
- pay for schooling and uniforms for those who can't afford it
- provide transport for health workers

The library starts to take shape.

HOW IT WORKS

1. You choose a gift, fill out the form below and send it with a cheque payable to "The Atiamah Trust" to High Barn, Winford Road, Chew Magna, Bristol BS40 8QQ.
2. We send you a gift card for you to give to your friends/family to let them know what gift you have bought on their behalf (eg. a donkey)
3. Your gift (100% of the money donated) goes to the people who really need it.
